

HOUSE JOINT RESOLUTION 92  
By Cooper B

A RESOLUTION urging the Tennessee Regulatory Authority, the Tennessee Department of Energy and Conservation, and the Department of General Services to identify domestic sources of energy and energy conservation.

WHEREAS, this General Assembly firmly believes in the importance of sources of energy which are clean, have little environmental impact, and are economically viable; and

WHEREAS, it is also the belief of this Body in the importance of identifying and developing domestic sources of energy and thereby reducing dependence of the United States on foreign sources of energy; and

WHEREAS, every effort should be taken to reduce energy costs for state government and for all Tennesseans, including searching for domestic sources, examining alternative energy sources, and encouraging the conservation of energy; now, therefore,

BE IT RESOLVED BY THE HOUSE OF REPRESENTATIVES OF THE ONE HUNDRED FOURTH GENERAL ASSEMBLY OF THE STATE OF TENNESSEE, THE SENATE CONCURRING, that this General Assembly urges the commissioners of the Tennessee Regulatory Authority, the Tennessee Department of Energy and Conservation, and the Department of General Services to examine domestic energy sources, the use of alternative energy sources and the conservation of energy, in an effort to identify all avenues of improvement for State government energy usage and to reduce its energy costs.

BE IT FURTHER RESOLVED, that an appropriate copy of this resolution be prepared, delivered to the Tennessee Regulatory Authority, the Department of Environment and Conservation and the Department of General Services.
